### Product specifications

|   |             |
|---|-------------|
| Automatic cycle flushing                              | No          |
| Operating method                                      | Push button |
| Flushing time adjustable                              | No          |
| Material quality                                      | ABS         |
| Flushing options                                      | 2 volumes   |
| Adjustable flush volume                               | No          |
| Smart Flush compatible                                | No          |
| Tool-free service                                     | Yes         |
| Type of actuation                                     | Mechanic    |
| Flush trigger can be deactivated manually             | No          |
| Actuation force (N)                                   | <20         |
| Anti-vandal   | No          |
| Spring-loaded push button                             | Yes         |
| With mounting frame                                   | Yes         |
| With pneumatic hoses                                  | No          |
| With connector rods                                   | Yes         |
| With activation rods                                  | Yes         |
| With power supply unit                                | No          |
| With electronic control unit                          | No          |
| With control and battery case                         | No          |
| With bearing block (servomotor and lifting device)    | No          |
| Mechanically operated in the event of a power failure | Yes         |
| With fitting box                                      | No          |
| With concealed flushing valve                         | No          |
| PVD technology  | No          |
| IdealPlus technology                                  | No          |
